Dr. Raymond Moody, MD, PhD, is best-selling author of *Life After Life* and originator of the term “near-death experience.”

This workshop surveys the mysteries of humour and the relation of humourous laughter to health and illness. Dr Moody discusses the host of physical and mental illnesses that are accompanied by alterations in the sense of humour. Explore clinical situations in which humour can be helpful and learn specific humour techniques.

This event is part of an exciting line-up of experiential workshops being held in conjunction with the SpiritHeals Conference.
